British Car Club of Delaware

BCCD (British Car Club of Delaware) was established in 1994 in Newark, Delaware. The club's mission is to gather British car enthusiasts and provide opportunities to:

- share their passion for LBCs (Little British Cars),
- participate in activities centered around LBCs, and
- networking about the maintenance, restoration and preservations of these classic cars.

British Car Club of Delaware Southern Chapter

In 2001, Rhon Jernigan & Geoff Haley, full time residents of Sussex County and British car owners approached the officers of the club about creating a Southern Chapter.

The board approved the new branch and the Southern Chapter was created, giving Sussex and southern Kent County residents a club closer to home.

Southern Chapter meetings are held the last Tuesday of the month.

The club meets for dinner at J.D. Shuckers in Georgetown (opposite Del Tech)

Social hour begins at 6:00 followed at 6:30 by the meeting then dinner.

Lewes Car Show

"The British are Coming Again!"

The annual Classic British Car Show, begun in 1995, is held the first Saturday in May in Lewes, Delaware. The event is sponsored by the Lewes Chamber of Commerce and is held on the grounds of the Cape May Lewes Ferry Terminal.

The show's concept originated with Mike Tyler, who approached the Lewes Chamber with his ideas and about working with the club on the event. The partnership with the Chamber has been most successful; the show having grown to a field of almost 100 cars and an average attendance of 600.

Trophies are awarded based on the popular vote of attendees.

The awards ceremony is held as part of a parade through town of the winners and other show participants.

A different model of British car is selected for the featured marque each year.

Show attendees can purchase club regalia, chances for raffle baskets, British baked goods and 50/50 raffle chances.

Additional information and registration forms can be found on the Lewes Chamber of Commerce website:
