Subject: Fall Fun Rally sponsored by BCCD Southern chapter

Hi All,

Looking forward to the rally. If you would like to participate, please tell me soon. Spaces are filling up.

- The rally will take place on, Sunday, October 10th rain or shine.
- The rally will start from Bill Tattersall's house in Frankford, DE, with the first car away at 11am. Cars will leave at 5-minute intervals. Refreshments will be provided.
- This is a fun rally with a route to follow and questions to answer. It should take about 2 hours to follow the route around the beautiful Sussex County countryside and arrive at Mike Tyler's house in Georgetown, DE, where there will be a picnic in their lovely garden.
- You do not have to drive your LBC though it is preferred. If the weather dictates it, you may need air conditioning or a roof.
- There will be a trophy for the winner, who will have answered the most questions correctly. In the event of a tie the car that drove the closest distance to the official mileage wins.
- Participants are asked to bring a dish with them - appetizer, side dish or DESSERT. This will be co-coordinated by Betty Burleigh and Pat Tyler. Leave your dishes at the start point and they will be magically transferred to the picnic.
- BYOB. Water will be provided.

Closer to the date participants will be contacted to confirm participation and be given more detail.
