We've scheduled our first outing - (driving your British car is an option since we'll be traveling near the Philadelphia Airport to the Simeone Foundation Museum.)

This is their first Demo Day of the year. <https://simeonemuseum.org/wp-content/uploads/2021/11/Simeone-Museum-2022-Demo-Day-Calendar.pdf>. Please look over this brochure for further details.

We must notify the Museum staff how many plans on attending to reserve our place since there will be other groups attending. We will have to pay in advance \$10.00. We will make the bulk payment from our treasury prior to the event. Currently money will be collected by a BCCD representative upon arrival.
